
HARPER SPEAKS AT THE CREW WOMEN OF INFLUENCE AWARD WINNERS PANEL DISCUSSION

Author(s): Trainor Fairbrook

Candy Harper was a panelist at the recent Commercial Real Estate Women (CREW) luncheon along with other Sacramento Women of Influence Award Winners for a discussion on Where Do We GROW From Here?. CREW Sacramento was founded in 1982 by a group of women working in similar areas of the real estate profession who were interested in exchanging ideas and information. Since that time, CREW Sacramento's membership has more than tripled and continues to be a growing organization, which meets regularly for educational luncheons, networking and socializing.

Trainor Fairbrook is pleased to announce that our managing partner, Candy Harper, was honored by the CREW Sacramento with its Woman of Influence Award at the organization's annual awards ceremony. Candy is the Chair of Trainor Fairbrook's Leasing and Property Management Practice. Candy was honored for her achievements in the legal field, to her decades-long commitment to the commercial real estate industry, and to many charitable and business organizations within our community. She has been the managing partner of Trainor Fairbrook for over 20 years, and has grown it to be the largest commercial real estate law firm in the Central Valley.
