Congratulations to Alison Geddes, of our Property Management Section, for for being named as the President Elect of Sacramento Commercial Real Estate Women (CREW) for 2017. Alison will serve as CREW's Sacramento President beginning in January, 2018. She also received the "Member of the Year" Award for her contribution to CREW in 2016.

CREW Sacramento was founded in 1982 by a group of women working in similar areas of the real estate profession who were interested in exchanging ideas and information. Since that time CREW Sacramento's membership has more than tripled and continues to be a growing organization, which meets regularly for educational luncheons, networking and socializing. CREW Network Foundation supports programs that assist women and girls to achieve economic self-sufficiency and promote the entry of more women into commercial real estate. To date, CREW Network Foundation has awarded over \$600,000 in grants, in addition to the \$1,000,000 local CREW chapters raise annually for charitable organizations and programs in their own communities.
