

PROTECTION FROM THE HIDDEN HAZARDS IN TODAY'S CONSTRUCTION INDUSTRY

Author(s): Trainor Fairbrook

Join Dan Steinberg and Mike Middleton for an informative presentation discussing current issues involving property owners and contractors in California.

Topics Will Include:

- How contractors can best protect their ability to secure payment
- Recommended contract language to protect owners and contractors
- Procedures to protect owners' property and responsibility for payments
- Recent case law expanding employers' liability for employees driving to and from work

Who Should Attend

Property Owners, Property Managers, Builders, Developers and General Contractors, Design Professionals and Specialty Contractors.

Please join us for a wine and beer reception following the presentation

Seating is limited so sign up now!
